Dear Loved Ones,

I am feeling a strong sense of thankfulness and joy for all of you! Our God's Work Our Hands projects are really coming together and it is so wonderful to see! Almost all of the resources requested for Mrs. Allen (Kemberley Edelstein's sister) for her Anatomy & Physiology class have been given. And the water bottles came in this week for the faculty and staff of Whitley Road Elementary! It is so great to see New Hope making an impact for Christ in our communities!

There are still opportunities to participate in these projects or to suggest one of your own! Please see our website or newsletter for details of the projects described above or send me an email (advancedmaterials@hotmail.com) if you have a new project in mind.

God is working through his people at New Hope, and doing new things all the time!

**"I am about to do a new thing; do you not perceive it?
I will make a way in the wilderness and rivers in the desert."**

Isaiah 43: 19

Through our outreach and through our projects, the Hope and Love of Christ is brought to new people, that they may experience his love, maybe for the first time. What an incredible blessing to be a part of God's Work Our Hands!

+Peace,

Pr. Miles

Join us for

“God’s work. Our hands.”

A dedicated day of
service in our community.

We are kicking off God’s Work with helping the students of Mrs. Allen who teaches Anatomy & Physiology and also Physics at Cedarhill High School. She is the sister of Kemberley Edelstein.

These students have been out of school for 6 months because of COVID 19. Resources drained all resources that Cedar Hill High School had for the Science Dept. These funds were spent on on-line platforms, personal protection, and cleaning to make it safe for them to return. Please click on the Amazon wish list to bless this class with materials to learn hands on. Just choose the shipping address for New Hope. You can e-mail a gift receipt to at kemberley.edelstein@gmail.com. We will be presenting all of the items to Mrs. Allen soon at worship service.

Self-Enrichment

I wanted to share with everyone information regarding the 2020 Fall Senior Education Classes. They will be online because of the pandemic. It is extremely reasonably priced for all the offered classes. These classes are taught by volunteers who are teaching because they have a real passion. This is a much better option for you than watching daytime TV. Requirements: you need to be a resident of Tarrant County and 55 years of age or older.

I have taken the classes for several years and have enjoyed them all. There is no credit, only the joy of education and the opportunity to meet people who share a common interest with you. I have taken beginner piano, genealogy and several others.

Check this out! You can register online! Be a lifelong learner!

COMMUNION BY APPOINTMENT

Do you have a hunger and thirst for Holy Communion but the thought of coming into the Sanctuary for worship is still too much? Communion by Appointment may be the solution! Pastor Miles will offer 15 minute slots from 12:00 – 2:00 Sunday afternoons, for those who would like to receive Holy Communion in a less public environment.

You can come by yourself or with family and friends, whoever you feel safe being around. We will go through a brief liturgy around the meal, including corporate confession and prayer. The same practices will be in place as for sanctuary worship, including a temperature check, hand sanitizing and distancing so we can all be as safe and confident as possible, just in a much smaller group.

If you are interested, please call the church office to reserve a slot, 817-498-4339. M-Th. 9:30 am - 2:30 pm or email Pastor Miles at advancedmaterials@hotmail.com

Pastor Miles will continue our Bible study on the book of Ruth via Zoom on Wednesdays from 6:30-8:00pm. We began this study this past Lent, but had to stop when the virus hit. We are continuing with this VERY interesting study of two very godly women, Ruth and Naomi, and what their faith can teach us about OUR faith and how we are called to live it out, no matter where we are or the circumstances in which we find ourselves.

To join, please send your request to Pastor:
